Sale starts promptly at 12:00 Noon

ALBERT J. HAMANN, SALE MANAGER

ROCK RAPIDS, IOWA 51246

(On front cover - Rothney Kinross, a Calgary champion and Diamond H herd sire.)

(On back cover - Eleven heifers at Marlboro Farms, all except white by West-drums Wayfarer.) (Photo taken in March, 1968.)

General Information

TIME—Tuesday, Sept. 24, 1968. Sale starts promptly at 12:00 noon.

LOCATION—The sale will be held at the Tri-State Livestock Auction Co., pavilion located on the North edge of Sioux Center, Iowa on U.S. Highway 75.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the sellers and the sale manager is notified of the arrangements. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

GUARANTEE—All cattle sold in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Association.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerk and sale manager have been employed by the seller for specific tasks not connected with the handling of the cattle or the condition of the premises and they accept no liability, legal or otherwise for the buying contract or for any accident. Every effort will be provided for the safety for those attending this sale but the seller cannot accept liability for injuries that may occur. All persons attend this sale at their own risk.

Statements from the block will take precedence over information given in the catalog.

HEALTH—All cattle will be sold according to the health regulations of the State of Iowa. Buyers must be aware of any variations between the laws of Iowa and their own states. Interstate health certificates will be furnished.

CERTIFICATES OF REGISTRY—Certificates of registry with transfers entered and recored in the buyer's name will be furnished for each lot sold and for every calf at foot. An application will be furnished for every calf carried in dam.

Where footnotes appear in this catalog they were furnished by the seller or written from information supplied by the seller.

AUCTIONEERS—Dick Kane, Wisner, Nebr., Clifford Bogaard, Orange City, Ia.

SALE MANAGER—Albert J. Hamann, Rock Rapids, Iowa.

PERSONNEL—Ted Aegerter, American Shorthorn Assn., Seward, Nebraska; Bill Stunkel, The Shorthorn World, Fremont, Nebraska; Wade Hauser Jr., Wallace Farmer, Des Moines, Iowa; Robert C. Fitzgerald, The Drovers Journal, Kansas City, Missouri.

MAIL ORDERS—Those unable to attend who desire to buy may contact any of the above men all of whom will be in attendance. Late bids on sale day can be phoned to the Sale Manager who can be reached at the Tri-State Livestock Auction Co., Sioux Center, Iowa. Telephone: Area Code 712-722-0681.

RESERVATIONS—A number of modern up-to-date motels can be found in Sioux Center. The Colonial Motel will be sale headquarters. Phone: Area Code 712-722-8111.

HERD INSPECTION—The cattle will be moved to the sale pavilion the day before the sale. Those who arrive prior to that are welcome to inspect the cattle at the H. Russell Held farm 2½ miles South of Hinton on U.S. Hwy. 75, and at the Harris Simons farm 8 miles east of Sioux Falls on Hwy. 38, then 1½ miles South.

BREEDING DATES—Announcements from the auction block on sale day regarding breeding dates are final and will take precedence over data in the catalog.

LUNCH—A large new cafe is located in the Auction Market.

FURTHER INFORMATION—For those wishing further information prior to the sale, either contact the owners, H. Russell Held, Hinton, Iowa and Harris Simons, Brandon, S. D. or the sale manager, Albert J. Hamann, Rock Rapids, Iowa, Phone: Area Code 712-472-3676.

A SUPERIOR PRODUCTION SALE — This aptly describes this sale for the following reasons:

First, consider the two breeders that are presenting this offering.

H. Russell Held grew up with a herd that was established in 1867 and has been favorably known ever since. He has continuously been a Shorthorn booster and served as an officer and director of many Shorthorn organizations for many years. He has also given many young breeders a helping hand.

Harris Simons, A brilliant student of the Shorthorn breed at a very young age established his select herd while still in high school twenty years ago. He has moved steadily forward in the building of his herd and as a leader in the Shorthorn industry.

Both of these herds have bred the right kind of Shorthorns that have been exhibited and won at strong shows, did well for others and were productive.

Top herd bulls, the best that could be found have been the rule rather than the exception. The foundation females are correct and of popular bloodlines. Only improving females have been added. Both herds have participated in state and national beef improvement and herd classification programs and have always stressed size, scale, soundness and muscling. Ton bulls were used well in advance of many herds.

This writer has been familiar with the Diamond H herd for over forty years and the Marlboro herd since it was established and can sincerely go on record that the constant aim has been to make the best cattle better.

Every animal in this sale has been inspected and selected from the heart of each herd to make a superior offering. They can be recommended very highly for their correct breeding, type, and proven productivity. This is herd foundation seed stock.

It is to your best interest to attend this sale and give these good cattle the kind of inspection and appraisal they deserve.

We will be pleased to see you on September 24.

ALBERT J. HAMANN, SALE MANAGER

Welcome -

We are pleased to welcome you to the September 24 production sale with our good friend, Harris Simons. When he established his select herd nearly twenty years ago we were gratified that he selected some of his herd foundation from our herd. Therefore, many of the bloodlines in the two herds are similar.

Held Shorthorns date back to 1887 which is eighty-one years ago. Since then, Shorthorns have continuously graced the landscape of the Floyd River Valley south of Hinton, Iowa.

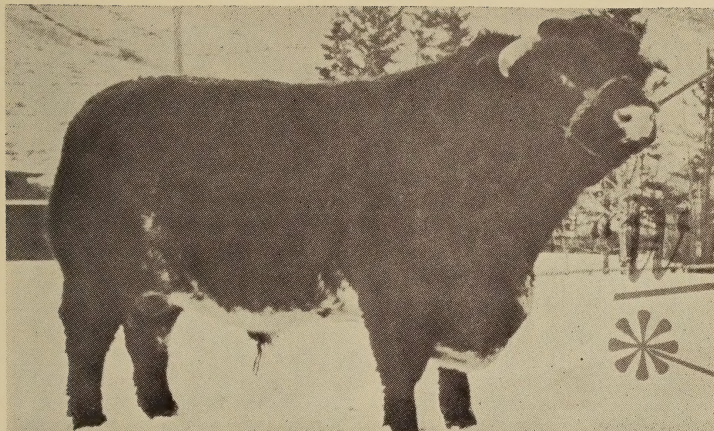

For Diamond H Shorthorns, this sale represents a selected production sale with the offering drawn from the very heart of the herd, to make the sale attractive. This sale is necessary because the herd has now reached the size of well over 200 head.

The herd has always been closely culled and proven exceptionally prolific. It has always been handled in a practical manner and every animal selling is in good thrifty breeding condition. The many calves at foot and long breeding dates on all the productive females will confirm this. The young bulls and open females are also in top breeding condition.

You are welcome to inspect the sale cattle and entire breeding herd including the stock bulls at the farm at any time prior to the sale. The cattle will be moved early Monday morning, September 23 to the sale barn.

We shall look forward to seeing you on September 24.

H. Russell Held

LOUADA CUPBEARER

Great Rothney Farms ton weight herd sire. His sire is a grandson of the \$30,000 Louada Bonaparte and the famous Bapton Constructor. He is the sire of Rothney Wildfire and Lot 1—Rothney Westward.

Reference Sire A

ROTHNEY WILDFIRE 3311-243

ROTHNEY WILDFIRE—This junior herd sire in the Diamond H herd has about everything you could ask for in a modern beef cattle sire. Big, massive, a world of muscling in the right places, good bone, a great head and lots of quality not often found in a big bull. This bull was slated for herd service in the noted Rothney herd, however, we were successful in our efforts to buy him. His sire is the noted Louada Cupbearer and his dam a Calgary Exhibition champion is by the \$30,000 Calrossie Highland Piper and out of an imported Marshall cow by Cruggleton Raeside. Rothney Wildfire's calves are all that we expected. Eight of these will sell at foot of dams and many of the females will be re-bred to him.

CALROSSIE HIGHLAND PIPER

A \$30,000 sire and one of the greatest sons of Calrossie Welcome. He is the sire of Rothney Kinross whose get is well represented, and grand-sire of both Rothney Wildfire and Rothney Westward whose get and service are also well represented.

ROTHNEY WESTWARD — A three year old proven sire that sells. He was purchased in the 1967 Calgary bull sale where he stood second in class. He was used heavily in 1967 and we have some good calves by him, several of which sell with dams. Rugged, correct in his lines, and exceptionally sound, he sells only because we have his three-quarter brother so can spare him. He is by the Noted Louada Cupbearer and his dam is by the famous Calrossie Highland Piper and out of an imported cow by the Perth champion, Beaufort Bolido.

LAVENDER RUTH — A daughter of the many times champion Proud Piper and from a Lavender family that is line bred in the blood of the \$10,000 Camson Better News, that shows real quality and breeding. Sells open.

TEN DAUGHTERS OF WESTDRUMS WAYFARER AT MARLBORO FARMS

All except the 11th, or white heifer.

WELCOME —

Each of us at Marlboro is pleased to welcome you to the September 24 production sale with our good friend, Russell Held. He helped us from our beginning nearly 20 years ago and many of the females and two stock bulls have come from his strong herd.

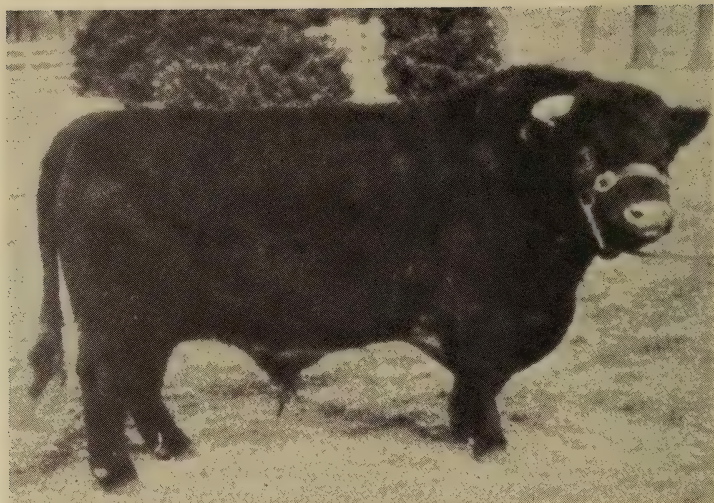

This sale represents a herd reduction at Marlboro. For the last three years, all of the daughters of Acadia Napoleon 101st have been retained. Accordingly, there are more than 100 females in the herd and they have outgrown their accommodations.

To the best of our knowledge, every female selling is in top breeding condition and there are no problem producers. Most of them sell with long breeding dates or calves at foot. As far as possible the breeding records are included in the footnotes, but you're more than welcome to check the individual production records on each female on sale day.

We hope you'll inspect the cattle at the farm at any time in advance of the sale. They will be at the sale barn early on September 23. It is only about a 45 minute drive from the farm. We would particularly like to have you see the stock bulls and the young replacement heifers by Westdrums Wayfarer.

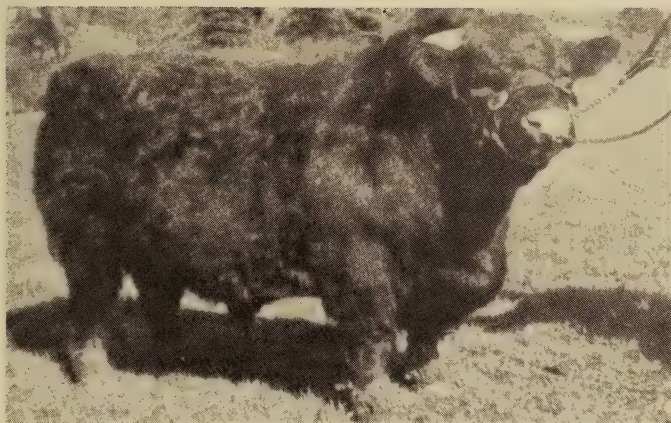

We look forward to greeting you in person September 24.

HARRIS SIMONS

ACADIA NAPOLEON 101ST

ACADIA NAPOLEON 101ST — He was imported from Cyrus Eaton's Deep Cove Farms, Upper Blandford, Nova Scotia, at 11 months when he weighed 963 pounds. He's by Deep Cove Napoleon 3rd that sired the \$3,300 reserve grand champion of the Canadian International Bull sale the same day a \$2,000 half brother was a class winner. Together, they were best pair of bulls. His dam, Canard Madge 2nd, is one of the biggest and best cows at Deep Cove. The 101st has sired numerous winning steers including one at the 1966 American Royal, and two interbreed reserve grand champion steers at LeMars, Iowa. In 1966 every 101st steer calf sold from the herd was a champion or purple ribbon winning club calf! The 101st himself weighs right at a ton on pasture as a five-year-old and is classified high AA by the American Shorthorn Ass'n. He's particularly long and most agree he's the modern type.

IMP. WESTDRUMS WAYFARER
On pasture as a four year old.

WESTDRUMS WAYFARER — Westdrums Wayfarer was purchased from Bilmar Farms after a long and successful career there. He was first-prize winner at Perth, Scotland, in 1960 the same day his half brothers were best group of three and best group of five bulls. He is by Uppermill Leopold that also sired the International grand champion Dandy of Westdrums x, AAA, that sold to Windholme Farm, Orange, Va., at a record \$18,000. Wayfarer was three times "Sire of the Year" in Michigan and sired dozens of champions and All-Americans for Bilmar. One of his first calves born at Marlboro was reserve grand champion steer over all breeds at LeMars, Iowa, recently. Wayfarer was lost last summer so the two daughters selling represent your last chance to buy his females.

Due to continued drought and feed shortage, Marlboro Farms has added another 15 of their brood cows to their sale offering making a total of 41 lots. Also included are 15 fancy steer calves ideal for 4-H and FFA projects.

BILMAR PREFERRED DIADEM

By Calrossie Diadem, he was purchased at the top of the 1967 Bilmar Farms Sale at Durand, Michigan.

BILMAR PREFERRED DIADEM — Purchased at the \$6,000 top of the 1967 Bilmar Sale, he's by Calrossie Diadem himself. His dam is a Cruggleton Princess Royal by Calrossie Troubadour. Troubadour also sired PS Troubadour, 1956 International grand champion steer over all breeds and an International reserve grand champion female for Acadia. Preferred Diadem is an exceptionally long bull with great thickness and character. He has been used liberally since late last year and his first calves will arrive before the sale. A large number of the females selling carry his service.

SPRINGDALE MEADOWSWEET — Many call this grand cow the best female in the herd. With an exceptional head, good heavy bone and an abundance of thickness. She's classified AA and is a regular producer. Her most recent bull by Westdrums Wayfarer is among the best on the farm and she's in calf again to Bilmar Preferred Diadem since Jan. 14. We would like first chance to purchase the resultant calf if the new owner decides to sell.

MARLBORO MARGO 4th — Here is an exceptionally big daughter of Viceroy's Dreadnaught that was third prize senior calf at the International and member of the third junior get-of-sire and pair of calves. He was by Perth senior champion Westdrums Viceroy. Margo 4th is a regular producer of good calves. Two daughters are retained. She is in calf since March 2, 1968 to the ton-weight Acadia Napoleon 101st.

VICEROY'S DREADNAUGHT

By Westdrums Viceroy, he was a third prize senior calf and member of third prize get of sire at the International. Also one of tops in an Iowa Royal sale and sire of 2 females and grandsire of several in the sale.

MARLBORO LADY BARBARA 2D — Here is one of those top daughters of Viceroy's Dreadnaught that are popular for their thickness and depth of quarter. Her dam was our original foundation cow that produced regularly for ten years. This is her last daughter. The family descends from the Thiede's reliable Village Beauty tribe. Her last heifer calf by Westdrums Wayfarer is retained. She is in calf since May 13, 1968 to the \$6,000 Bilmar Preferred Diadem by Calrossie Diadem.

MARLBORO MAYFLOWER 2D — This is young Barbara Simons foundation cow and she's been a grand producer. Only because the herd must be reduced does she sell. She's by Femco Newsboy 6th that was an exceptionally thick, good headed sire whose breeding career was cut short by an unfortunate accident. The dam comes from the reliable Tomson Brothers Mayflower tribe that has been our most prolific. This good cow's first daughter topped our 1965 club calf sale at \$500 to Martin Lundvall, LaPorte City, Iowa. Her last daughter by Westdrums Wayfarer is retained but she's in calf again, to Bilmar Preferred Diadem since Jan. 26, 1968.

AUGUSTA LADY 17th — This big six-year-old is carrying her fifth calf to Bilmar Preferred Diadem. The first was a heifer sold in the 1964 calf sale to Walter Bauman, Jasper, Minn., and was later a champion 4-H heifer. The second went to Keith Gunderson, Parker, S. D., and was also a winner. The third was a steer that stood well up in the local shows. The fourth, by Westdrums Wayfarer, was lost of scours at about three months through no fault of the cow. She's in calf again since April 13, 1968 to the \$6,000 Bilmar Preferred Diadem by Calrossie Diadem.

MARLBORO WHITE KNIGHT

By Acadia Napoleon 101st, he won his class at the 1966 American Royal for Gary Junck. His dam was an Augusta Lady, three of which sell.

MARLBORO STARLIGHT 2nd — How often do you get a female like this one? A year ago Dewey Lunstra picked her as the best of the current calf crop. She would have made an outstanding show female. The daughters of Westdrums Wayfarer have written breed history at Bilmar Farms and his sons have been equally popular like the \$5,000 Bilmar Wayland at the Harding Cattle Co., and the pair that were champions of the South Dakota State Sale. The dam is a fancy young female that has a half sister at foot this year. Only as a prime attraction do we part with this soggy heifer. Sells open with breeding privilege to the \$6,000 Bilmar Preferred Diadem.

MARLBORO MAYFLOWER—Another good cow from our productive Mayflower family sired by the International prize winner, Viceroy's Dreadnaught. She was bred January 2 to Bilmar Preferred Diadem and will calve soon after the sale. If the calf is a heifer, we would like first chance to buy it. In 1967 she produced twin calves which she raised entirely by herself so is not in the highest condition. She has a very good 2 year old daughter that sells in this sale in 1965 had an excellent bull that was used some in the herd and then sold in the Sioux Empire Farm Show sale.

Lot 91	Chain 70	Marlboro Flowergirl 2nd

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
